

These films can be interpreted as you wish, seen as a springboard for a range of activities...
but if you would like further guidance see below

H O U S E M U S I C

Play the room, like an instrument...

Can you find a high pitch sound in this room?

Can you close your eyes and guess the sounds?

Can you find a sound you like and play it again and again?

Can you find a sound from 3 objects and dance to them?

Ideas for sounds around the room

Light switch, on and off
Door, open and close
Hairdryer
Clicking pegs
Opening drawers
Closing cupboards

And try objects together

Radiator / whisk
Pen / cup
Cushion / stairs
Wooden spoon / table legs
